QUEST for GLORY

DRAGON FIRE™

Quest for Glory V: Dragon Fire is the latest installment in Lori Cole's best-selling series, combining the best elements of role-playing adventure with pulse-pounding real-time action. Set in the fantastic 3D

world of Siltmaria, *Dragon Fire* is a journey fraught with peril, mystery and enchantment. A soundtrack quality score, 3D run-time rendered characters, and a seamlessly scrolling panoramic world come

together to create what *Computer Gaming World* describes as "the most beautiful RPG in the industry."

Available Fall 1998

BABYLON 5™

Babylon 5: Space Combat Simulator is destined to surpass all predecessors with extraordinary graphics, strategic artificial intelligence and intense game play.

Prepare for launch Spring 1999
www.b5games.com

- Fight in the Starfury and the Thunderbolt while encountering over 30 unique Earth Alliance and alien ships in full 3D space combat.
- Unlimited replayability through the non-scripted, innovative "Self-evolving Universe."
- Play either a story-driven single player game or multiplayer game in a cooperative campaign or ruthless head to head combat.
- Story direction from *Babylon 5* creator J. Michael Staczynski, music by Christopher Franke, and spacecraft rendered from the TV show's original models.

the Realm™

Enter *The Realm*, an on-line world of monsters, magic, and medieval society. *The Realm* features 11 towns, 5,000 rooms and locations, and up to 2,500 simultaneous players for unparalleled freedom of play. Since its launch in

January of 1997, *The Realm* has evolved into one of the most stable, reliable, and intricately detailed multi-player games on the net. **Available Now** Venture to www.realmserver.com for a **free 30 day trial**.

NAVY SEALS

Assume the rank of a Navy SEAL team commander in the upcoming 3D action game based on Richard Marcinko's personal SEAL experience. *Navy SEALs* features authentic armaments, delivery vehicles, and techniques used by the world's top commando fighting force. Achieve

dangerous mission objectives on sea, air, and land with surgical precision and devastating force. Neutralize the enemy through simultaneous command of multiple SEAL operatives in explosive real-time 3D. **Deployment date: 1999**
Begin active duty at www.navy-seals.net

MIDDLE

EARTH

Middle-earth is an online role-playing game based on the world envisioned in J.R.R. Tolkien's *The Hobbit* and *The Lord of the Rings*. Set several generations after the Third Age, *Middle-earth's* locations, peoples and foes are being developed with great care to preserve the integrity of Tolkien's beloved epic. Thousands of players will simultaneously inhabit this new virtual world through Yosemite Entertainment's massively-multiplayer RPG technology. **Available at the turn of the century.**
