

SIERRA

**CATALOGUE
2000-2001**

Introduction

Allow us to introduce you to the highest calibre titles available in the world today.

We consistently set new standards in consumer software and offer the ultimate product mix masterfully created by our cutting-edge development houses.

Year after year our company has invested heavily in technology and staff, enabling us to evolve into one of the worlds top 5 publishers:

This catalogue contains a sumptuous line-up of titles which are destined to follow the huge successes of Half-Life from Valve, and Starcraft from Blizzard - both selling over a million copies world-wide and counting!

3D Action shooter Half-Life set a new standard, and was named "Game of the Year" by over 50 publications, while Homeworld revolutionised the strategy genre with its extraordinary 3D real-time graphics engine and engrossing space combat.

It seems that the excitement will never end. New games for 2000 include Ground Control, Homeworld Cataclysm, Zeus, Tribes 2 and of course Diablo 2.

We sincerely hope that you enjoy using our software as much as we have had creating it.....

.....enjoy!

Half-Life®: Dreamcast

ACTION

THE BEST PC GAME EVER
- NOW ON DREAMCAST

Dreamcast™

Available
Autumn
2000

Originally created for the PC by Valve, Half-Life has won more than 50 Game of the Year awards and has sold over 1.5 million

copies worldwide. Developed by Captivation Digital Laboratories in conjunction with Gearbox Software and Valve, Half-Life: Dreamcast promises to deliver even more than the original PC version. The Dreamcast version of this award winning title features many optimisations, including higher polygon player characters, dramatic lighting and special effects. Half-Life: Dreamcast also features an all-new single player mission that surrounds the security guard character, Barney. This special mission is being custom created for the Dreamcast by Gearbox Software, the development team that created Half-Life®: Opposing Force™, the official PC expansion for Half-Life.

Entirely new mission surrounding the Black Mesa Security Guard, created especially for the Dreamcast by Gearbox Software.

Advanced AI creates monsters remarkably - even terrifyingly - intelligent. Valve's proprietary AI has them running in packs, assessing threats and making quick decisions to counter act your every move. You'd better think as fast as they do.

The skeletal animation system creates players with incredible realism and fluid movement.

Sensational FX. The power of the Dreamcast will be fully exploited in this edition of Half-Life with high-polygon characters, dramatic lighting, and superior effects.

Complete arsenal of real-world, experimental and alien weaponry.

Hazard Course training area allows players to practice movements, special maneuvers, and weapons use before launching into the action.

Sega and Dreamcast are registered trademarks or trademarks of Sega Enterprises, Ltd.

Half-Life®: Generation

THE BEST PC GAME EVER – IT'S OFFICIAL!

The critics agree, awarded 'Game of the Year' by more than 50 publications world-wide, Half-Life has even been named 'Best Game Ever' in PC Gamer. Immersive environmental challenges, a rich story-line and intelligent enemies, Half-Life is the most gripping, frightening and intense game experience ever. Are you ready to belong to the Half-Life Generation?

The pack contains Half-Life Game of the Year edition including the acclaimed Team Fortress Classic and Half-Life: Opposing Force, the official expansion pack. Half-Life: Generation is a must have for those who are yet to experience this gaming phenomenon.

*PC Gamer 96%
"In years to come, Half-Life will remain a benchmark for aspiring developers to match"*

Minimum Specs
PC CD-ROM
Pentium 133
24 MB RAM

- Outstanding value package including two award winning games 3D action games.
- Combining genre-breaking gameplay elements together with the most advanced enemy A.I. ever seen in a first-person action game.
- Massive on-line support for Half-Life means that you will be able to enjoy many additional levels and multiplayer gaming for years to come.

PC Review

"...Intelligent, frightening, jaw dropping and bloodthirsty, this isn't just a game, it's an experience...."

A multitude of unique environments and arenas to explore and interact with, featuring realistic physics and vibrant 3D graphics.

Combines genre-breaking gameplay elements with advanced enemy A.I.

ACTION

Half-Life®: Opposing Force™

MORE THAN YOUR AVERAGE EXPANSION

PC Gamer 93% Game of Distinction

"Opposing Force is a laudable add-on that lives up to its superior pedigree"

Half-Life: Opposing Force is the first official expansion to the award winning 3D action game, Half-Life. Built upon the amazing technology and visceral action of the original, Opposing Force returns you to the Black Mesa

Research facility as one of the military specialists sent in to eliminate Gordon Freeman. The plot soon twists and you'll find yourself stranded and confused – battling new creatures and a variety of other foes in an effort to save your own life

In addition to the extensive and challenging single player experience, the game also contains a collection of new multiplayer maps specially commissioned from the gaming industry's lead designers. Opposing Force is the perfect accompaniment to the awesome Half-Life.

- Massive and incredibly challenging single player experience.
- Experiment with a host of new military, experimental and alien weapons.
- Battle a fierce new alien race and interact with more human characters.
- Compete in 12 new multiplayer maps designed by industry all-stars.

Ground Control™

ACTION

PURE ACTION. PURE TACTICS. PURE AND SIMPLE.

By combining frenetic-paced action with tactics, *Ground Control* offers a fresh gameplay experience for all action, RTS and wargames enthusiasts. Played out through two different campaigns in various stunning 3D terrain, players command their customisable squads as they vie for control of a distant planet. In addition to the single-player experience, *Ground Control* offers both classic and pioneering multiplayer options, including a drop-in mode formerly reserved for 1st person shooting games.

"Stunning graphics and explosive gameplay" - PC Gaming World

Minimum Specs
Pentium 200MHz with Direct3D accelerator card or
Pentium II 233MHz without 3D accelerator card
32MB RAM, 400MB HD Space, 4X CD-ROM or better

Ground Control eliminates many of the tedious aspects of typical RTS games and focuses its gameplay on tactics, strategy, and the art of battle.

Choose and arm your troops. Various types of tanks, hover bikes, airplanes, and soldiers will be at your disposal. Each unit type has special weapons, abilities, and armour.

A gripping story line will unfold as you command your troops through 30 single-player missions.

Battle your friends or enemies via the Internet or LAN.

Homeworld®

STRATEGY

"YOUR PAST IS A LIE, YOUR FUTURE IS IN JEOPARDY, AND YOU'RE 35,000 LIGHT YEARS FROM HOME"

Taking the Real Time Strategy genre to new levels, the award winning Homeworld allows players to command a massive starfleet on a journey to the heart of the galaxy. Combining elements of space combat, strategic play and action within a three dimensional space, Homeworld

"The most beautiful, dramatic strategy game ever. Full stop."
PC Gamer

A unique blend of existing game styles – including the core space combat elements, combined with strategic planning and action elements.

Extraordinary 'true' 3D engine for a completely fresh real-time gaming experience where danger can appear from any angle.

A multi-player mode which allows up to eight players to compete simultaneously via LAN or WON.net.

offers players the unparalleled freedom to engage in combat from any position, commanding the smallest scout ship to an entire armada.

The epic tale begins in the centre of a lush spiral galaxy. For as long as anyone could remember, no one challenged this peaceful existence. Then the conquerors came, wiping out billions and relocating survivors to a lifeless planet on the edge of the galaxy. Now the time has come to return home....

A revolutionary step in gameplay and technology, with a storyline extended over 16 single player missions and two races, all in cinematic quality 3D environments, Homeworld will leave you breathless.

Homeworld®: Cataclysm

STRATEGY

CATACLYSM IS THE FIRST OFFICIAL
"EPISODE" WITHIN THE
HOMEWORLD UNIVERSE

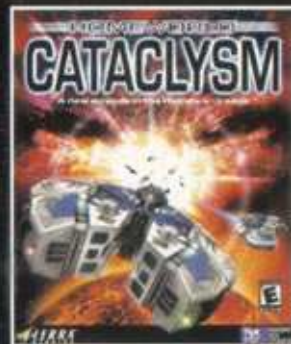

Homeworld: Cataclysm, the next episode in the Homeworld universe, begins roughly 15 years after the events of the original game. Take command of a new sect with dozens of new ships and technology at your disposal. Lead your fleet through 17 single player missions as you struggle for position in the emerging order – and face the might of a mysterious and powerful new foe.

Improving upon the Homeworld interface, Cataclysm adds features such as waypoints and sensor screen attack commands that add a new dimension to the revolutionary combat and gameplay pioneered in Homeworld. You can also command an entirely new class of ships with new technologies and weaponry, such as mimic ships and multi-ion beam frigates. Cataclysm's multiplayer game allows you to play with 2 unique fleets, one of which consists of various Taiidan, Kushan, and pirate ships.

"Homeworld strikes back" - PC Zone

Master Of Olympus: Zeus

STRATEGY

THE GOD OF STRATEGY GAMES

In ancient Greece, the youngest classical civilization portrayed in the series, Zeus serves up a world filled with heroes, gods, and other mythological creatures. With tasks that can be completed in less than an hour, Zeus promises to be quick to learn and the most fun city building game yet.

Zeus is a game of politics and trade, gods and heroes, immersing the player into the mythology and daily life of ancient Greece. Players can build legendary city-states like Athens and Sparta and guide their evolution by building colonies, invading or trading with neighbours, attracting heroes to rid the countryside of monsters, or even calling on the gods themselves to help keep the mortals in check. Developed by Impressions Studios, Zeus: Master of Olympus is designed to be fun for strategy gamers of all levels.

EVERY GREAT TRILOGY NEEDS A PREQUEL

Pharaoh is the latest strategic city-building game from Impressions, creators of the award-winning Caesar III. The game plunges you far back in time during the period when the great pyramids were built. Immerse yourself in ancient Egypt and nurture fledgling villages into thriving metropolises, governing all aspects of the exotic Egyptian culture, from religion to trading with distant cities.

The game includes a unique dynastic progression over more than thirty scenarios and variable difficulty levels. All this combined with 16-bit colour graphics, large maps for seamless gameplay, and a proven interface make Pharaoh an exciting city-building game.

Fascinating, challenging, and gorgeous to look at
GameSpot UK 9.7/10

Minimum Specs
 PC CD-ROM
 Pentium 133
 32 MB RAM

Includes many features never seen before in a city-building series game, including a farming model based on the flooding of the Nile.

Destroy enemies in land and naval combat or simply build the perfect Egyptian city of your liking with the City Construction Kit.

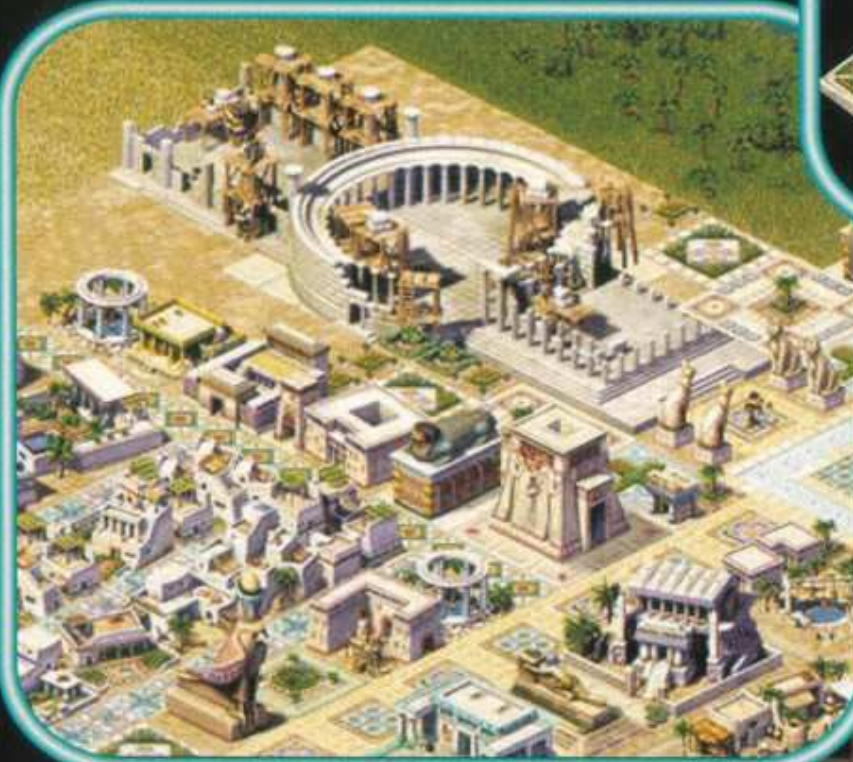

Build giant monuments including the great pyramids, the sphinx, and the temples of Luxor.

Includes complete tutorial campaign for progressive learning curve.

Queen of the Nile: Cleopatra

STRATEGY

THE OFFICIAL PHARAOH EXPANSION PACK

**Available
Autumn
2000**

Play 4 new campaigns with 15 missions tracing careers of Tutankhamen, Rameses II and Cleopatra.

Erect new monuments, including Colossi of Rameses II and Tombs in the Valley of the Kings.

Construct more buildings, Henna Farms, Tomb Artisans and new beautification structures.

Battle new enemies from Persia, Rome and more. Face new threats, plagues of locusts, hails of frogs and grave robbers.

Cleopatra immerses players in the ancient land of Egypt with a new campaign focused around the legendary queen of the Nile. Players will strive to satisfy Cleopatra's demands, while fending off Roman invaders, building wondrous new cities, and erecting towering new monuments.

Cleopatra is an expansion pack for Pharaoh based on the same engine and premise. Additional units, buildings, monuments, and industry combine to offer the Pharaoh player fresh challenges and hours more gameplay.

Cleopatra is a worthy addition to the long tradition of City Building games.

Requires the original Pharaoh to play.

Ancient Worlds Pack

STRATEGY

RULE THE GREATEST CIVILISATIONS
OF ALL TIME

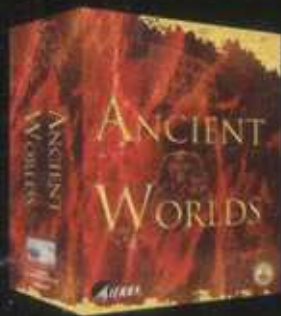

Travel back in time to become the ruler of two of the greatest empires the world has ever known. This double pack features two original games from Impressions, one of the leading developers of strategic city building entertainment products.

Take control of early Roman settlements to build them into a thriving empire or step further back to ancient Egypt to grow a small farming community into a massive metropolis complete with monuments that can stand the test of time.

You'll have to manage all the aspects of the social, economic, political and even spiritual lives of the denizens of these ancient civilisations. Can you cope?

Minimum Specs
Windows 95/98
Pentium 133 MHz
32 MB Ram
4x CD-Rom
300MB Hard Drive Space
SVGA Highcolour (16-bit)

PC Zone – December '98 (92%)

"Incredibly detailed and utterly absorbing"

PC Home – January '99 (90%)

"Caesar 3 is a damn fine addition to the resource management and strategy genre, it had me hooked from mission one."

THE TRAVEL ADVENTURE OF A LIFETIME

**Available
Autumn
2000**

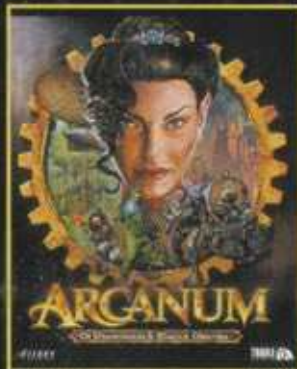

Arcanum takes place in a world where technology and magic coexist in an uneasy balance. The mechanical age has only recently arrived in this ancient land where Humans, Elves, Dwarves, Orcs and other races have learned to coexist in the new sprawling industrialised cities. But this radical shift from magic to technology has created a potentially explosive situation. As the townspeople and other thinkers begin mass production of light bulbs, batteries, eyeglasses and guns the Mages grow leery. This tightly wound setting is the starting point from which the character must set out on his quest. Arcanum gives players the most freedom they have ever had in experiencing fantasy role-playing on the computer.

● Cutting edge RPG engine combined with in-depth gameplay

● Point based character creation system

● Each quest can be solved in multiple ways.

● Multi-player mode with room for eight via LAN or Won.net

Throne of Darkness

VIE FOR POWER IN ANCIENT JAPAN

**Available
Winter
2000**

Team-based action - Play up to 4 characters at the same time to progress in the adventure.

Network play - 35 players can play at the same time via Won.net. Throne of Darkness has been specifically designed to optimize level streaming

Advanced Graphics. Also supports Direct 3D.

Throne of Darkness, developed by Click Entertainment, offers gamers both a massive single-player and multiplayer experience as they vie for control of power in ancient Japan. Tightly based on Japanese mythology, the single-player game casts gamers in a fight to overthrow a dark warlord and his army - battling solo or as party leader. In multiplayer mode gamers can team up in party or as a single challenger against a computer controlled or human controlled warlord, all against a vast number of immensely detailed environments.

FUN, FAST AND FURIOUS

Available
Summer
2000

Fun, fast and furious action awaits you with 3D Ultra games. Thrill to such delights as varied as frenzied, realistic pinball action in outrageous settings, crazy remote controlled racing around twisted tracks, and Cueball action that defies description.

RC Racing Deluxe - Race on 14 wild and twisted tracks, 6 more than original RC Racing. Also offers 2 unique game modes - Football and Battle Ball.

Maximum Cueball - 10 classic and twisted pool games with Snooker and Billiards games also featured.

Contraptions - Brings the fun and challenge of being an inventor to your computer! Build incredible machines out of a diverse assortment of parts.

Game Room - 6 great skill games in one box: Pinball, Ping Pong, Pool, Darts, Shuffleboard and Table Hockey.

Pinball: Thrill Ride - 15 action-packed rides on table with wild roller coasters and other "thrill rides" crowding the table.

Train Town Deluxe - Takes toy trains from living room floor to computer screen with beautifully rendered surroundings, active and imaginative 3-D animations.

Pinball Power - 4 classic pinball products in one great pack, totalling 36 Tables!
3D Ultra Pinball: Fastest Pinball In Space;
3D Ultra Pinball 2: Creep Night;
3D Ultra Pinball 3: The Lost Continent;
3D Ultra Pinball 4: Turbo Racing.
