HIGHEST QUALITY ~ LOWEST PRICE

DEAR CUSTOMER,

Sierra designs, develops and publishes consumer entertainment software. Variety, quality and innovation are the cornerstones of our philosophy. At the cutting edge of new technologies, our numerous development teams put their talent, creativity and professionalism to work to realise ever-more ambitious projects. Eager to encourage wider consumer access to multimedia, we are re-releasing our greatest best-sellers at rock-bottom prices. Already packed full of hits, and covering all game market segments, the Sierra budget range will teleport you to the very heart of some fascinating virtual worlds. Long hours of play guaranteed at record prices !

PHANTASMAGORIA

PRAY THAT THIS IS ONLY A NIGHTMARE!

Live the horrific tale of a woman fighting alone against the forces of evil...! You'll need nerves of steel to survive this spine-chilling adventure. You must put together the pieces of a puzzle and defeat the dark forces that have turned your loved one into a murderous creature. A terrifying realistic nightmare, so watch out... and pray that you survive.
