LICENCE AGREEMENT .....	9

## INSTALLING THE GAME

To begin, insert the *No One Lives Forever* Disc 1 into your CD-ROM drive. If AutoRun is enabled on your computer, the install screen should appear within a few seconds.

**Install:** This option will launch the setup utility. Follow the on-screen prompts to navigate through the setup screens as follows:

In the **Select Destination Directory** screen, click **Next** to install to the default folder or click **Browse** to install to a different folder on your hard drive.

In the **Install Type** screen, you may choose from one of two possible installation methods:

The **Normal** Installation requires 900 megabytes of free hard disk space and will copy both the game and all game data. For maximum performance, use this option.

The **Minimum** installation option requires 324 megabytes of disk space and will copy only the game files to your hard drive and leaves all levels and other data on the CD. This option is recommended if you need to conserve hard drive space.

In the **Select Program Folder** screen, simply click **Next** to add Fox Interactive/*No One Lives Forever* to the default folder in your Start menu or specify a different folder.

Once setup is complete, click **Next** to exit the installer.

**Uninstall:** This option becomes available only after the game has been installed. It allows you to easily remove the game files from your hard drive. Please note that other programs may share certain installation files, so you may be prompted for confirmation before some of these files are removed.

**Install DirectX 7.0:** This option is required if you do not already have Microsoft's DirectX version 7.0 or higher installed on your computer.

**Read Me:** Provides useful information on installing and starting the game, as well as last-minute information that didn't make it into this manual.

## CLEAN UP YOUR SYSTEM BEFORE RUNNING THE GAME

Before you install any software, it is critical that your hard drive be in proper working order. We recommend that you perform regular "house keeping" by running ScanDisk and Disk Defragmenter.

- **ScanDisk** searches your hard drive for any lost data.
  - **Disk Defragmenter** ensures that your data is sorted properly. Failure to verify this may result in corrupt data.
1. To run ScanDisk, click on the START button from the Taskbar.
  2. From the Start menu, select RUN.
  3. In the *Run* dialog box, type **scandisk** and click OK.
  4. Once the program starts, ensure that you have selected THOROUGH in the *Type of test* section. The process will take a while to complete but the results are well worth the time invested. Make sure there is a check mark in the AUTOMATICALLY FIX ERRORS box and select the hard drive you are installing the game to (e.g., C:).
  5. Once everything is set up correctly, click START to have the program scan the drive and correct any errors.
  6. Next, run Disk Defragmenter. Click START from the Taskbar.
  7. From the Start menu, select RUN.
  8. In the *Run* dialog box, type **defrag** and click OK.
  9. As with ScanDisk, select the drive you are installing the game to and click OK. This process will also take some time, but is again worth the effort to ensure a trouble free installation of your game.

## WHAT IS DIRECTX™?

Read this section completely before playing *No One Lives Forever* or installing DirectX.

DirectX is part of Windows® 95 and 98. It allows Windows to access certain parts of your PC at high speed, to allow you to run today's games. As new technology is introduced, such as next generation 3D Accelerators and 3D soundcards, DirectX evolves to support these new technologies. *No One Lives Forever* requires DirectX 7.0, which is included on the game disc for you to install if necessary.

In order to operate correctly, DirectX may need to update the software drivers for your video card, sound card, or 3D accelerator. Using drivers that do not have DirectX 7.0 support may result in display or audio problems in *No One Lives Forever*.

During the installation of DirectX 7.0, your video card, sound card and 3D accelerator card drivers will be checked for compatibility. If possible, the DirectX 7.0 installer will update any incompatible drivers automatically. However, if you have a very new piece of hardware in your system, or a lesser-known model, you may need to contact the manufacturer of the component for the latest software drivers with DirectX 7.0 support.

**Important Note:** During the installation of DirectX 7.0, the Setup program detects whether or not your drivers can be updated successfully. If the driver being replaced has not been tested or replacing the driver is known to cause problems, the Setup program warns you accordingly. We recommend you abide by these warnings.

## HOW DO I INSTALL DIRECTX 7.0?

When you install *No One Lives Forever*, your system will be scanned for DirectX. If the correct version is not detected, you will be prompted to install DirectX 7.0 from the *No One Lives Forever* CD. We recommend you follow the advice given by the *Setup* program.

If you want to install DirectX 7.0 **after** installing *No One Lives Forever*:

1. Click START on your Windows taskbar, highlight FIND and click FILES OR FOLDERS.
2. In the NAMED box, type **dxsetup**
3. Ensure the LOOK IN box is set to the drive letter of your CD-ROM (e.g. D:) drive, then click FIND NOW.
4. When the file appears, double click on the **dxsetup** icon in the *Name* column.
5. When the *DXSetup* window appears, click **Reinstall DirectX** to complete the process.

### Check your system!

To check if your computer fully supports DirectX 7.0, run the DirectX Diagnostics Tool after installing DirectX7.0.

1. Click START on your Windows taskbar. Then click RUN.
2. From the *Run* dialog box, type **dxdiag** then click OK

The DirectX Diagnostics Tool gives you information on your video card, sound card and 3D accelerator card drivers.

- To check your video card drivers, click on the DISPLAY tab, or the DISPLAY 1 tab if you have one.
- To check your sound card drivers, click on the SOUND tab.
- Some 3D accelerators have their own tab, called DISPLAY 2, so you may need to check this also.

On each of these screens, the *Drivers* section tells you if Microsoft has certified your driver as supporting DirectX 7.0.

- If your driver is reported as 'Certified: Yes' your device has DirectX 7.0 support and should work properly with *No One Lives Forever*.
- If your driver is reported as 'Certified: No' your device does not have DirectX 7.0 support and you may experience problems running *No One Lives Forever*. Please consult the notes section at the bottom of the DirectX Diagnostic Tool window.
- Windows 98 users may also consult the TROUBLESHOOT button, accessed from the MORE HELP tab. Normally, updated drivers that support DirectX7.0 will be available from the manufacturer of the device in question, which will allow you to play *No One Lives Forever* without any problems. In this case, we suggest you contact the manufacturer of the device, and request the latest DirectX 7.0 compatible drivers. These are normally available free of charge from the manufacturer's web-site, or via their technical support help-line.

"For more information on the game please refer to the PDF on the CD. Please also be aware that you should check this CD for any patches that may be available for this product"

## CUSTOMER SERVICES

**Technical Support Tel: (0118) 920 9111**

**Fax: (0118) 987 5603**

Lines open 24 hrs, 365 days a year, using our automated technical support attendant. This system includes answers to all commonly posed questions and problems with our new and major titles. It is set up in a friendly and easy to use menu system that you navigate through using a touch tone telephone. If the answer to your question is not in our automated system, then you will be transferred to a technician between the hours of 9am and 5pm Monday to Friday.

Here are some key-presses that will allow you to navigate through our automated attendant. Note that these are the standard letter assignments that are given to UK telephones so if your phone has letters on the keypad, please use them instead:

2: A, B, C	3: D, E, F	4: G, H, I	5: J, K, L	6: M, N, O	7: P, R, S	8: T, U, V	9: W, X, Y	0: Q, Z
---------------	---------------	---------------	---------------	---------------	---------------	---------------	---------------	------------

Before you call our technical support lines, please check that you have read the Readme file included on the game disk #1. You may well find a very quick answer to the problem that you are facing as these files contain answers to most common problems. If the answer is not here, make sure you have precise details of any error message that you receive, and details regarding the specifications of your computer before you call us, as this will help us in giving you a faster and more efficient service.

If you would prefer to write to us, please send your mail to the following address:

UK Website includes on-line shopping, special offers, technical support, product information, game demos, patches and much, much more.

## YOU SHOULD CAREFULLY READ THE FOLLOWING END USER LICENSE AGREEMENT BEFORE INSTALLING THIS SOFTWARE PROGRAM.

This software program, any printed materials, any on-line or electronic documentation, and any and all copies and derivative works of such software program and materials (the "Program") are the copyrighted work of Sierra Entertainment Inc., its subsidiaries, licensors and/or its suppliers.

All use of the Program is governed by the terms of the End User License Agreement which is provided below ("License").

The Program is solely for use by end users according to the terms of the License.

Any use, reproduction or redistribution of the Program not in accordance with the terms of the License is expressly prohibited.

### END USER LICENSE AGREEMENT

#### 1. Limited Use License.

Sierra Entertainment Inc., ("the Licensor") hereby grants, and by installing the Program you thereby accept, a limited, non-exclusive license and right to install and use one (1) copy of the Program for your use on either a home or portable computer, or if applicable on your console (regular or handled). You may not network the Program or otherwise install it or use it on more than one computer at a time, except if expressly authorised otherwise in the applicable documentation which you should refer to if :

- The Program contains a Level Editor ("Editor") that allows you to create custom levels or other materials for your personal use in connection with the Program ("New Materials").
- The Program has a multi-player capability

The Program is licensed not sold. Your license confers no title or ownership in the Program.

#### 2. Ownership

All title, ownership rights and intellectual property rights in and to the Program and any and all copies thereof (including but not limited to any titles, computer code, themes, objects, characters, character names, stories, dialog, catch phrases, locations, concepts, artwork, animations, sounds, musical compositions, audio-visual effects, methods of operation, moral rights, any related documentation, and "applets" incorporated into the Program) are owned by the Licensor or its licensors.

The Program is protected by the English copyright laws, international copyright treaties and conventions and any other applicable laws. All rights are reserved. The Program may contain certain licensed materials and the Licensor's licensors may act to protect their rights in the event of any violation of this Agreement.

#### 3. Responsibilities of End User.

A. Subject to the Grant of License herein above, you may not, in whole or in part, copy, photocopy, reproduce, translate, reverse engineer, derive source code, modify, disassemble, decompile, create derivative works based on the Program, or remove any proprietary notices or labels on the Program without the prior consent, in writing, of the Licensor.

B. The Program is licensed to you as a single product. Its component parts may not be separated for use on more than one computer.

C. You are entitled to use the Program for your own use, but you are not be entitled to:

(i) sell, grant a security interest in or transfer reproductions of the Program to other parties in any way, nor to rent, lease or license the Program to others without the Licensor prior written consent ;

(ii) publish and/or distribute the computer images, sound, files, fonts, graphics, clipart, animations, photographs, databases or other content of the Program use any of the computer images related to identifiable individuals or entities in a manner which suggests their association with or endorsement of any product or services ;

(iii) exploit the Program or any of its parts, computer images, sound files, fonts, graphics, clipart, animations, photographs, databases or other content in the Program, for any commercial purpose including, but not limited to, use at a cyber café, computer gaming centre or any other location-based site.

(iv) host or provide matchmaking services for the Program or emulate or redirect the communication protocols used by the Licensor in the network feature of the Program, through protocol emulation, tunnelling, modifying or adding components to the Program, use of a utility program or any other techniques now known or hereafter developed, for any purpose including, but not limited to network play over the Internet, network play utilising commercial or non-commercial gaming networks or as part of content aggregation networks without the Licensor prior written consent .

#### **4. Program Transfer.**

You may permanently transfer all of your rights under this License, provided the recipient agrees to the terms of this License and you agree to remove the Program from you home or portable computer.

#### **5. Termination.**

This License is effective until terminated. You may terminate the License at any time by destroying the Program and any New Material. The Licensor may, at its discretion, terminate this License in the event that you fail to comply with the terms and conditions contained herein. In such event, you must immediately destroy the Program and any New Material.

#### **6. Export Controls.**

The Program may not be re-exported, download or otherwise exported into (or to a national or resident of) any country to which the U.S. has embargoed goods, or anyone on the U.S. Treasury Department's list of Specially Designated National or the U.S. Treasury Department's Table of Denial Orders. By installing the Program, you are agreeing to the foregoing and you are representing and warranting that you are not located in, under the control of, or a national or resident of any such country or on any such list.

#### **7. Customer Service/Technical Support.**

Licensor agrees to provide Customer Service and Technical Support for this Program until such time as the Program is "out of publication." The Program shall be considered "Out of Publication" one (1) year following the date that the Program is no longer manufactured and/or distributed by Licensor, or its licensors. "Customer Service" as used herein may be provided to you by Licensor representatives by telephone and/or by electronic message (e-mail). "Technical Support" may be provided to you by Licensor by telephone, electronic message (e-mail), or by posting of information related to known technical support issues on a website. Unless otherwise stated in the Program's packaging or in the Program's user manual, nothing herein shall be construed so as to place a duty upon Licensor to provide Customer Service or Technical Support via a toll free telephone number for an unlimited period of time.

#### **8. Duration of the "On-Line" component of the Program.**

If this Program contains an 'on-line' component that allows you to utilize the Product over the internet utilizing servers and software maintained or authorized by Licensor. Licensor agrees to provide the servers and software technology necessary to utilize the "on-line" component of the this Program until such time as the Program is Out of Publication, as defined above. Thereafter, Licensor may, in its sole discretion, continue to provide the servers and software technology necessary to utilize the "on-line" component of the this Program, or Licensor may license to third parties the right to provide the servers and software technology necessary to utilize the "on-line" component of this Program. However, nothing contained herein shall be construed so as to place an obligation upon Licensor to provide the servers and software technology necessary to utilize the "on-line" beyond the time that the Program is Out of Publication.

#### **9. Limited Warranty.**

THE LICENSOR EXPRESSLY DISCLAIMS ANY WARRANTY FOR THE PROGRAM, EDITOR, AND MANUAL(S). THE PROGRAM, EDITOR AND MANUAL(S) ARE PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT.

The entire risk arising out of use or performance of the Program, Editor and Manual(s) remains with you ,

However the Licensor warrants that the media containing the Program shall be free from defects in material and workmanship under normal use and services and the Program will perform substantially in accordance with the accompanying written materials, for a period of 2 (two) years from the date of your purchase of the Program.

In order to enforce the above mentioned warranty Publisher should be informed of the defect at least 2 (two) months following its discovery.

In the event that the media proves to be defective during that time period, and upon presentation to the Licensor of proof of purchase of the defective Program, the Licensor will then be able to choose between the following possibilities 1) correct any defect, 2) provide you with a product of equal value, or 3) refund your money.

Some states/jurisdiction do not allow limitation on duration of an implied warranty, so the above limitation may not apply to you.

This Limited Warranty does not affect the application of any legal warranty provided by the applicable laws and regulations.

In case you would like to exchange the product or refund you money, notably if the product is defective, please refer to the "Technical Support Policy" herein included.

#### **10. Limitation of Liability.**

NEITHER THE LICENSOR , ITS PARENT, SUBSIDIARIES, AFFILIATES OR LICENSORS SHALL BE LIABLE IN ANY WAY FOR LOSS OR DAMAGE OF ANY KIND RESULTING FROM THE USE OF THE PROGRAM OR EDITOR INCLUDING, BUT NOT LIMITED TO, LOSS OF GOODWILL, WORK STOPPAGE, COMPUTER FAILURE OR MALFUNCTION, OR ANY AND ALL OTHER COMMERCIAL DAMAGES OR LOSSES.

Some countries do not allow the exclusion or limitation of incidental or consequential damages, or allow limitations on how long an implied warranty lasts, so above limitations or exclusion may not apply to you.

### **11. Equitable Remedies.**

You hereby agree that the Licensor would be irreparably damaged if the terms of this License were not specifically enforced, and therefore you agree that the Licensor shall be entitled, without bond, other security, or proof of damages, to appropriate equitable remedies with respect to breaches of this License, in addition to such other remedies as the Licensor may otherwise have available to it under applicable laws.

### **12. Miscellaneous.**

The License shall be deemed to have been made and executed in England, and any dispute arising hereunder shall be resolved in accordance with the English law. This License may be amended, altered or modified only by an instrument in writing, specifying such amendment, alteration or modification, executed by both parties.

In the event that any provision of this License shall be held by a court or other tribunal of competent jurisdiction to be unenforceable, such provision will be enforced to the maximum extent permissible and the remaining portions of this License shall remain in full force and effect.

The terms and conditions of a paper printed licence eventually accompanying the Program prevail on any terms and condition of a license eventually included in the Program and that could appear on screen.

You hereby acknowledge that you have read and understand the foregoing License and agree that the action of installing the Program is an acknowledgement of your agreement to be bound by the terms and conditions of the License contained herein. You also acknowledge and agree that this License is the complete and exclusive statement of the agreement between the Licensor and you and that the License supersedes any prior or contemporaneous agreement, either oral or written, and any other communications between the Licensor and you including any inconsistent written license agreement or on-line help accompanying the Program.
