LEGENDS & STADIUMS

Welcome to *Baseball '94 Legends & Stadiums*

Baseball '94 Legends & Stadiums expands the selection of teams, stadiums, and players ready for play in *Front Page Sports: Baseball '94*. You must already have *Front Page Sports: Baseball '94* installed to use this product. For customer service and technical help, refer to your *Baseball '94* manual.

Installing *Baseball '94 Legends & Stadiums* to Your Hard Drive

These instructions assume that you are using floppy drive A: and hard drive C:. If not, please substitute the appropriate drive name.

1. After booting your machine, insert your *Baseball '94 Legends & Stadiums* diskette #1 into drive A:.
2. Type the appropriate drive name (A:) and press [Enter].
3. Type install [Enter].
4. Follow the on-screen instructions to install the upgrade to the correct directory on drive C:.
5. Start *Baseball '94* as usual.

After installation, the new stadiums, teams, and players will be available from within *Front Page Sports: Baseball '94*:

- Your 16 stunningly rendered new stadiums, including Mile-High Stadium and the Toronto Skydome, will be available from within the Team Data, or Exhibition Play, and Game Details screens.
- Your 48 classic teams will be available in three 16-team associations—Early Times League, Central League, and Continental League—from the Load Associations and Change Team screens. Want a Series between 1931 Philadelphia and 1940 Cleveland? You got it.
- Create a new association and draft or trade for the ultimate all-time Hall of Fame line-ups: Babe Ruth, Bob Feller, Ty Cobb, Jackie Robinson, Lou Gehrig...well, you decide.

Play ball!
