MINIMUM SPECIFICATIONS

To run Evil Genius™, you will need PC specifications equivalent to or better than the following:

Pentium® III 800 MHz processor
GeForce2 or equivalent graphics card with 16 MB of RAM
128 MB RAM
1.3 GB of hard drive space

Running Evil Genius

Evil Genius should automatically install the first time the CD is inserted. Be patient, as the autorun may take up to a minute to start up.

INTRODUCTION

Congratulations!

Dear Customer,
Congratulations on purchasing your *Uninhabited Volcanic Island of Undisclosed Location*, which, if run efficiently, will guarantee you years of trouble-free bids for world domination.*

We are proud of our start-up options for budding megalomaniacs, and we are sure that you will be fully satisfied by the wealth of additional equipment supplied at no extra cost.

As part of our special introductory offer, your *Uninhabited Volcanic Island of Undisclosed Location* kit includes three loyal and hardworking minions to assist in the running and expansion of your evil lair.

In order to get the best from your Uninhabited Volcanic Island of Undisclosed Location, we do recommend that you take the time to peruse the owner's handbook and familiarize yourself with the basic concepts of running your secret base.

* Purchase of an Evil Industries "Uninhabited Volcanic Island of Undisclosed Location" in no way guarantees success of client's bids for world domination and/or destruction of said world. Purchase neither secures against incursions by armed forces nor individual agents employed or contracted by government security initiatives. Evil Industries in no way endorses any illegal activities by our esteemed clients in the use of any Evil Industries products and has created said products for entertainment purposes only. In the event of the seizure and/or destruction of the "Uninhabited Volcanic Island of Undisclosed Location" or any part thereof, Evil Industries will disavow any knowledge of client, products and weapons (nuclear, biological, hot jam or otherwise).

Getting Started

Once the game has finished loading, you will be presented with the Main Menu Screen. From here you will be able to launch your abominable plans. If this is your first time playing the game, click **Tutorial** for a brief lesson in how to take over the world.

However, if you simply can't wait and want to jump right into the nefarious and devilish scheming that is Evil Genius, click **New Game** and go to the Campaign Screen.

Select the level of difficulty for your campaign—Easy, Medium or Hard.

Once you have chosen your desired difficulty level, all that remains to be done is to choose which Evil Avatar you wish to play as, and your bid for total global domination can begin.
