Welcome to Hoyle® Casino

Installing Hoyle® Casino

Windows:
Insert the CD. If the AutoPlay screen appears, click Install. Otherwise, click the Windows Start menu and then click Run. In the Run dialog box, type D:\SETUP, where D is the letter for your CD-ROM drive, and then click OK.

Macintosh:
Insert the CD. Double-click on the Hoyle Casino CD icon to open the CD. Then, double-click on the Hoyle Casino Installer icon.

Starting Hoyle® Casino

Hoyle Casino can be run with or without the CD. If it is run without the CD, background music, character speech, and many of the animations are not available.

Windows:
Insert the CD. If the AutoPlay screen appears, click Run. Otherwise, click the Windows Start menu, point to Programs, point to Hoyle and point to Hoyle Casino. Then, click the Hoyle Casino icon.

Macintosh:
Insert the CD. Open the Hoyle Casino folder on your hard disk, and double-click the Hoyle Casino icon.

Starting Hoyle® Demo Games

This CD also contains demonstration versions of other Hoyle games.

Windows:
If you did not install the demo games when installing Hoyle Casino, you will need to install them. Run the installation again and select the games you want to install.

To run the demo games, click the Windows Start menu, then point to Programs and point to Hoyle. Find and click the icon for the game you want to play (the CD is not required for these games).

Macintosh:
To play the demo games, you will first need to install them. Insert the CD, and double-click the Hoyle Casino CD icon to open the CD. Then double-click the game you want to install.

To run the demo games, open the appropriate folder on your hard disk and double-click the icon for the game you would like to play.

Playing Hoyle® Games over the Internet

If you have a web browser and an Internet connection, you can play Hoyle casino games (as well as Hoyle board, card, and word games) against opponents all over the world.

Hoyle Internet games are not available for Macintosh.

To play games over the Internet:

- In Hoyle Casino, click Internet Games on the Go To menu.

  OR

- In Windows, click the Start menu, point to Programs, point to Hoyle, and point to Hoyle Casino. Then, click the Play Hoyle Games Online icon.

Your web browser is started and you are connected to the Hoyle Channel on the Internet, where you can select one of many different games to play.

Installing AT&T WorldNet Service

Windows:
Insert the CD. Click the Windows Start menu, and then click Run. In the Run dialog box, type D:\WORLDNET\SETUP, where D is the letter for your CD-ROM drive, and then click OK to start the installation.

Macintosh:
Insert the CD, and double-click the Hoyle Word Games CD icon on your desktop. Open the AT&T WorldNet Service folder. Double-click the AT&T WorldNet - PPC User icon to start the installation.
