Welcome to Hoyle® Table Games

Installing Hoyle Table Games

Running the Installer

Insert the CD. If the installer screen appears, see *Using the Installer* below. Otherwise, double-click **My Computer** on your PC desktop. Then double-click **Hoyle Table Games**. This will launch the installer.

Using the Installer

Once the installer is open, click **Install Hoyle Table Games**. This will run the install Wizard, which will guide you through the rest of the installation process.

Starting Hoyle Table Games

You must have the Hoyle Table Games CD in your CD-ROM drive to run Hoyle Table Games.

Insert the CD. If the AutoPlay screen appears, click **Play Hoyle Table Games**. Otherwise, click the Windows **Start** menu, point to **Programs**, point to **Hoyle®** and point to **Hoyle Table Games**. Then, click the **Hoyle Table Games** icon.

Installing the Hoyle Games Demo

The Hoyle Table Games CD also contains the Hoyle Demo, a sampling of some of the other great games available from Hoyle. To install the Hoyle Games Demo, run the installer using the instructions on the previous page. Then, click **Install Hoyle Games Demo**. This will guide you through the installation process.

To start the Hoyle Games Demo: click the Windows **Start** menu, point to **Programs**, point to **Hoyle** and point to **Hoyle Games Demo**. Then, click the **Hoyle Games Demo** icon.

Installing Games for Handheld Devices (if Available)

Some Hoyle titles also come with games for Palm OS® Handhelds and Pocket PC devices. If so, when you run the installer there will be an option called **Install Hoyle Games for Handheld Devices**. Click this.

1. Select the type of handheld device you have, and uncheck any games you do not want installed.
2. Click **Install**.
3. Click **OK** in any windows that pop up, until the installer returns you to the main install screen.

The games will now install onto your Palm OS Handheld the next time you perform a HotSync® operation, or on your Pocket PC the next time you perform an ActivSync® operation.

For successful installation on a Palm OS Handheld, you must first have Palm™ Desktop Software installed on your computer. Please refer to the instructions that came with your Palm OS Handheld for help with installing Palm Desktop Software and performing a HotSync operation.

For successful installation on a Pocket PC, you must first have ActiveSync® 3.1 or higher installed on your computer. Please refer to the instructions that came with your Pocket PC device for help with installing ActiveSync software and performing an ActiveSync operation.
